School Accountability Report Card

Reported Using Data from the 2013-14 School Year

Published During 2014-15

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

School Description and Mission Statement (Most Recent Year)

The Alternative Education Center is comprised of four schools and/or nine programs in the Silver Valley Unified School District. Each is designed to provide a unique individualized educational setting to assist students in reaching their academic and personal goals. The Alternative Education Center promotes respect for cultural diversity and inspires integrity and respect of self and others. Classroom practices foster intellectual and social development, engage students in problem solving, higher order thinking skills and learning activities that make the subject matter relevant to daily life. Furthermore, through the daily incorporation of our Expected School-wide Learning Results (ESLR'S), we equip students with the skills and knowledge that empower them to be ethical, literate, responsible and contributing members of their community.

School Vision & Mission Statement

The vision of Silver Valley Academy is to create a safe and constructive learning environment which promotes academic growth and personal success for all students. Through these techniques we will develop interpersonal skills and ensure the creation of life-long learners.

The mission of the Silver Valley Academy is to provide all students with an unconventional setting, where the individual needs of each student are addressed through the access of a state standards based, aligned curriculum and federal mandates as measured by the Academic Performance Index (API) and the adequate yearly progress (AYP).

Community & School Profile

Located in the rural high desert of Southern California, 126 miles from Los Angeles and 144 miles from Las Vegas, Silver Valley Unified School District educates nearly 2,500 students in grades kindergarten through twelve. Covering an area of 3,200 square miles, the district serves the communities of Calico, Daggett, Fort Irwin, Ludlow, Newberry Springs, and Yermo.

The district is comprised of seven school sites including three elementary schools, one middle school, one K-8 school, one comprehensive high school, and an alternative education center. The alternative education center is made up of four schools and includes, Calico High School, Silver Valley Academy, Silver Valley Community Day School, and Silver Valley Adult Education all at one location.

Silver Valley Academy is WASC accredited (2013), consists of four programs and includes Long-Term Independent Study Program (1-12), the Success Program for special education (7-12), Emerging Ability Program for students with severe life handicapping conditions, and the Home and Hospital Program (K-12). In addition, an adult school operates on the campus two evenings per week. Students who experience difficulty in a traditional school setting often find success in alternative programs. Silver Valley Academy provides individualized instruction, with frequent one-on-one student and teacher interaction. The school fosters a college atmosphere and attitude to prepare students for higher learning.

In order to be admitted, students are screened by the program administrator. In any alternative educational environment, flexibility is key. The school's programs offer several options to students regarding attendance and how assignments are completed and turned in. More flexibility is offered to those students who make adequate academic progress, and have a consistent record of earning credits.

A. Conditions of Learning**State Priority: Basic**

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2014-15)

Year and month in which data were collected: September 2014

Pursuant to the settlement of Williams vs. the State of California, Silver Valley Unified School District thoroughly inspected each of its school sites at the start of the 2012-13 school year to determine whether or not each school had sufficient and good quality textbooks, instructional materials, and/or science laboratory equipment. The date of the most recent resolution of the sufficiency of textbooks is September 09, 2014.

All students, including English learners, are given their own individual textbooks and/or instructional materials in core subjects, as well as foreign language and health (as appropriate), for use in the classroom and to take home if necessary. Additionally, all textbooks and instructional materials used within the district must be aligned with the California State Content Standards and frameworks, with final approval by the Board of Education. The table displays information collected in September 2014 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

School Facility Conditions and Planned Improvements (Most Recent Year)

Situated on 8 acres, the Alternative Education Center site serves Calico Continuation High School, Silver Valley Academy, Silver Valley Adult School, and the Silver Valley Community Day School. This site was originally constructed in 1953. The campus is comprised of 14 permanent classrooms, and 2 portable classrooms. The multipurpose room and 4 classrooms are currently unoccupied.

Cleaning Process

The school provides a safe and clean environment for students, staff, and volunteers. The district governing board has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the custodial staff to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

Maintenance & Repair

A scheduled maintenance program is administered by the District's maintenance staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by Silver Valley Unified School District . including regular facilities inspections, to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention.

Repair requests are completed efficiently and in the order in which they are received. The chart displays the results of the most recent school facilities inspection, provided by the district .

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Career Technical Education Programs (School Year 2013-14)

Silver Valley Academy strives to graduate citizens who are fully capable of functioning and prospering in our society. The school's workforce preparation program prepares students to succeed through the development of conceptual thinking, effective communication, and the ability to apply knowledge and skills learned in the classroom to real-world contexts .

Curriculum and instructional strategies that foster critical thinking, problem solving, leadership, and academic skills are consistently taught to ensure work-readiness skills.

Students may enroll in a "Career Exploration" class which enables them to research different career options and to develop skills necessary for applying to jobs, such as writing resumes and interviewing skills .

Silver Valley Academy engages community support and participation to provide guest speakers from organizations such as the Speakers Bureau of the Chamber of Commerce, Fort Irwin, the County Sheriffs Association, San Bernardino County offices, Wal-Mart, the military, the Barstow Police Department, and Barstow Community College representatives. These speakers increase student awareness of the many opportunities and options for future education, training, and employment beyond high school.

The following Career Technical Education (CTE) programs offered off campus at Silver Valley High School:

- Diversified Occupations
- Micro Computers
- Networking
- ROP Auto
- ROP Desktop Publishing
- ROP Digital Design

All of the above-listed courses incorporate state-adopted CTE model curriculum standards, meet district graduation requirements, and/or satisfy A-G entrance requirements of the CSU/UC systems. All courses are evaluated based on mastery of "employment readiness standards", both basic and industry-specific, results of career-technical skills assessments, and/or placement of program completers in employment, post-secondary education, or the military.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (Most Recent Year)

Parents are encouraged to undertake an active role in their child's education. Parents are welcome to volunteer on-site and participate on the School Site Council. The Parent Booster's Club helps fund numerous activities for the school.

Numerous programs and activities at Silver Valley Academy are enriched by generous contributions from local businesses and service organizations.

Contact Information

Parents who wish to volunteer or participate in the school's committees or activities , may contact the office at (760) 254 -2715. The district's website (<http://www.svusdk12.net>) also provides helpful information and a variety of resources for parents, students. and the community.

State Priority: Pupil Engagement

Expulsions	0.0	0.0	0	0.0	0.0	0.3	0.1	0.1	0.1

Note: The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment x 100.

School Safety Plan (Most Recent Year)

The safety of students and staff is a primary concern of Silver Valley Academy. All guests to the campus must sign in at the office and wear a visitor's badge at all times.

Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among noon-duty aides, teachers, and school administrators.

To safeguard the well-being of students and staff, comprehensive School Site Safety Plans have been developed for each site by the district. The Safety Plans were most recently updated in February 2012, with all revisions reviewed with the staff in September 2012. Key elements of the Safety Plan focus on the following: school rules and procedures, disaster procedures, current status of school crime, notification to teachers, child abuse reporting procedures, school-wide dress code, routine and emergency drills, sexual harassment policy, policies related to suspension and expulsion, maintaining a safe and orderly school environment, safe ingress and egress of pupils, parents, and school employees.

The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Safety drills, including fire, earthquake and intruder drills, are held.

Professional Development

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations and formal observations are designed to encourage common goals and comply with the state's evaluation criteria and district policies. Temporary and probationary teachers are evaluated twice a year and tenured teachers are evaluated every other year. Evaluations are conducted by the principal, who has been trained and certified for competency to perform teacher evaluations.

Evaluations are based on the "California Standards for the Teaching Profession" which include the following: engaging and supporting all students in learning, understanding and organizing subject matter for student learning, assessing student learning, creating and maintaining effective environments for student learning, planning instruction and designing learning experiences for all students, and developing as a professional educator.

Staff members build teaching skills and concepts through participation in conferences and work shops throughout the year. Teachers were offered a broad-based variety of professional growth opportunities in curriculum, teaching strategies, and methodologies. 2012-13 staff development professional development topics included: APEX Training, OARS Training, Pearson ELA Training, Pearson DRA Training, Holt Differential Instruction ELA, CMAT (Math) Training, Singapore Conference, Scholastic Read 180 & System 44 training, Waterford Early Reading Program training, and Success Maker training.

For additional support in their profession, teachers may enlist the services of the district's Beginning Teacher Support and Assessment (BTSA) support provider and/or the Peer Assistance and Review (PAR) Program.
